

9.24.140 Legal remedies not impaired

9.24.140 – Legal remedies not impaired

Nothing in this Chapter shall be construed to impair, in any way, any cause of action or other legal or equitable remedy therefore of any person or the public for injury or damage arising from the emission or release into the atmosphere or ground from any source whatever of noise or earthshaking vibration in such place or manner or at such levels, so as to constitute a common law nuisance.

(2008-M-77 : § 1)
